

Contract Bidding & Tendering

Standard Operating Procedure

Reference	SOP-001
Title	Contract Bidding & Tendering
Version	v2
Owner	Contract Lead
Applies To	All new bids
Review	Annually

Purpose

Standard procedure for identifying, preparing and submitting bids - from budget mapping to tender submission, including BPP compliance.

Scope

All bidding and tendering activities across all sectors and client types.

Steps

1. Map ministry budget and earmarked opportunities. 2. Receive invitation to bid. 3. Confirm BPP/compliance documents current. 4. Prepare bid (selective or competitive). 5. Submit with required compliance. 6. Track outcome and record in Bidding Pipeline.

Roles

Contract Lead (supervises), Project Managers (execute), MD (approves pursuit of major opportunities).

Records

All bids logged in Zonexa Bidding Pipeline; compliance documents retained in the Document Register.
