

Site Progress Reporting

Standard Operating Procedure

Reference	SOP-003
Title	Site Progress Reporting
Version	v3
Owner	Site Supervisor
Applies To	Construction sites
Review	Semi-annually

Purpose

Maintain consistent, time-stamped site reporting so progress is verifiable and auditable.

Steps

1. Capture daily time-stamped photos.
2. Note status and issues.
3. Upload to Site Photos register.
4. Submit weekly progress summary.
5. Flag any safety or delay issue immediately.

Roles

Site Supervisors upload; PM reviews; Contract Lead monitors.

Records

All evidence retained in the Site Photos register with uploader and timestamp.
