

Inspection & Approval

Standard Operating Procedure

Reference	SOP-005
Title	Inspection & Approval
Version	v1
Owner	Contract Lead
Applies To	Completion stage
Review	Annually

Purpose

Coordinate government inspection and approval so completion is not delayed.

Steps

1. Prepare inspection evidence and documents. 2. Request inspection date. 3. Escalate if inspector does not attend. 4. Capture inspection outcome. 5. Proceed to completion certificate.

Roles

Contract Lead coordinates; PM prepares site evidence.

Records

All inspection requests and outcomes logged in the Inspections module.
